

CLOJURE/NORTH

2019

sponsorship prospectus

Clojure/north is the first Clojure conference in Toronto, Canada, held on April 19-20th 2019.

It is a non-profit conference from the Clojure community for the Clojure community with three main objectives:

1. Share knowledge within the Clojure community
2. Grow the Clojure community by offering accessible talks to newcomers
3. Demonstrate with the broader community how Clojure is being used to solve problems

We are expecting

2000

**attendees from
all across the globe**

/location

Location

Hilton Toronto
145 Richmond Street,
Toronto, ON
M5H 2L2

Walking distance from the Metro
Toronto Convention Center, Union
Station, the theater district, China
town, city hall and connected
to all major office towers.

As a non-profit ran solely by volunteers

We are hoping for sponsors to help make an enjoyable event for all.

In order to make this mutually beneficial for all, you may refer to the table below for some perks we have in store for our sponsors, though any amount will be much appreciated.
